

CV

Artist

I paint in acrylics on canvas.

A mix of naivism and figurative details result in interesting images.

The paintings have often a reduced color scheme and mixes realism and fantasy.

My images also have a depth and 3D effect that draw the onlookers attention into the painting.

The subjects vary. Cities with steampunk influences. Postapocalyptic ruins with a glimmer of hope.

Or maybe a nightly image under a full moon.

I am self taught except for some courses in kroki, oilpainting and watercolor.

My drawing interest have always been there and I have been painting for the last fifteen years.

I draw a lot and I like to look for motifs in the great outdoors.

Old Linköping, Ekenäs and Vadstena are some of the places where I've been drawing.

I like to display my art and have had exhibitions in Linköping, Stockholm, Kisa and Gnesta.

My art have been shown both at solo exhibitions and at group exhibitions

You can see my art on my homepage www.peterclasson.se.

I also show my work in various facebook groups.
